**Helping you find,
obtain and keep
the job
you really want.**

Discover the many employment opportunities PJS provides:

- o **Vocational Assessment**

Discover what kind of job you would like to do, what skills and talents you already have and what you would like to learn. Our Employment Consultants can help you achieve this through various assessments and job trials.

- o **Job-Seeking Skills**

Learn how to write a resume, fill out an application and ace an interview.

- o **Life Skills**

Learn social skills needed for successful employment including transportation assistance! We provide training or assistance on how to use public transportation.

- o **Job Development**

PJS staff will help you every step of the way to find the job you want. This includes finding a potential employer, applying for the job and preparing for your interview.

- o **Job Skills**

We help build the skills you need for the job you want through independent or group classes! If we don't have what you need, we help you find it in your community. Apply to work in one of our enclaves, take classes with us or let us help you enroll in community courses.

- o **Job Coaching**

Supportive PJS staff will give you thorough on-the-job training to make sure you

know how to perform the job you receive. PJS staff will also help you learn how to complete new tasks at your job as they are needed!

- o **Follow-up Support***

After you have been trained on the job, PJS staff can visit with you and your employer as often as needed to make sure you are able to continue to do your job and that you learn new job tasks if they are added. We'll help you keep your job and feel good about continuing to do well at work.
